2<sup>nd</sup> December 2020

Dear Parent/Carer of Year 9

At present in these unprecedented times this week the school is still experiencing a significant increase in the number of staff that have needed to self-isolate, we are currently operating with greater than 20% of teaching staff absent, and 12% of our support staff due to self-isolation. Covering this many classes with supply staff is unsustainable as we cannot support this many supply teachers. As a consequence we are again going to have to make arrangements for the all Year 9 students to stay at home and work remotely on Thursday 3<sup>rd</sup> December 2020.

Your daughter will be set their work via SMHW in advance to coincide with their timetabled lessons. Teachers will not be able to live teach using Teams because we will need to use them to cover for absent teachers.

We apologise for any distress or difficulties this news may cause, and we understand that the arrangements we have been forced to make may cause inconvenience to you and your family. We will keep you updated as to any further steps we may need to take.

A huge thank you in advance for your support at this time.

Yours sincerely

Ms. E Holland  
Head teacher
