

# Student Code of Conduct

Students are responsible for their behaviour and are expected to adhere to the Student Code of Conduct. They are expected to display exemplary behaviour which shows respect for their learning and the learning of others. They are ambassadors for CFGS and expected to be polite, courteous and to behave in such a way that is a credit to the school.

The Student Code of Conduct is underpinned by the 'Central Essentials' and all students are encouraged to develop these qualities.

## Students must:

- arrive to school on time and ensure attendance is above 96.5%
- be prepared for lessons: arriving punctually and taking out all necessary equipment, including the school planner
- wear the full school uniform, including the school blazer when in corridors
- remember that no electronic devices or headphones are permitted to be used
- have respect for their learning and the learning of others
- complete classwork and homework to the best of their ability
- follow instructions from all members of staff, first time and without comment
- communicate respectfully and politely with members of the school community and members of the local community
- use ICT, technology and social media responsibly
- not bring any unnecessary items to school
- never chew gum on the school site
- in classrooms, only drink water
- be respectful and considerate when travelling to and from school
- report any concerns that they have, either to a member of staff that they have a good relationship with or via SHARP.

## Around the school site students must:

- be calm and considerate: keeping to the left, greeting others and opening doors for others
- only eat in the canteen or playground
- respect the environment and put litter in the bin
- respect other people's property, the school building, displays and equipment.
