Don't Suffer In Silence, Make A Report.

Hello, welcome to **SHARP**. This is our school's help and advice reporting page system.

Use this system to stop **YOU**, or a **FRIEND**, or **SOMEONE** you know in our community, from **SUFFERING** in silence.

You can use **SHARP** to report incidents **CONFIDENTIALLY** (without leaving your name/surname/email etc) **OR**, you can leave your contact details so we know who you are and can more easily help you sort out the problem. If you don't leave your contact details, please understand that we will deal with the issue but we won't be able to contact you to let you know the incident has been dealt with or, to offer you advice.

When you log an incident on **SHARP** it is picked up within **24 hours** by **Mr Catherine**. He will make sure that your problem is dealt with quickly. If the issue is more serious, he will sometimes ask **Ms Townsend** and **P.C. Roger Laing** for help and advice to solve the problem.

If you decide *not* to use **SHARP** then please remember that there are people at school who *want* to help you and are ready to listen to you. The three people who deal with most of the serious issues are **Mr Catherine, Ms Townsend** and **P.C. Roger Laing** but please don't forget that you also have a **Head of Year, a Form Tutor** and **any other member of staff that you feel comfortable talking to**, to share your problems with. We will all listen to you and help you because we want you, your family and your friends to lead safe, happy, healthy and successful lives.

Please also take the time to look through the pages and if you have any ideas to make our school a safer, healthier and happier place to be you can get in touch using the link.
